"The UOL is a very unique organization with our Church. Annually it brings together members from parish chapters across the country who embrace the UOL motto of being dedicated to youth, supporting our Church, and preserving our rich Ukrainian culture. It helps us realize that as members of a parish chapter we are not by ourselves on an island, but rather part of a bigger world with the Ukrainian Orthodox Church of the USA."

-Helen Greenleef, 71st UOL Convention Yearbook
