GUARDIAN ANGEL PROGRAM

We are all familiar with the UOL Prayer Pal Program! The **Guardian Angel Program** is something similar except that it is a program that will last a WHOLE YEAR!

The program is designed for **YOU** to be a Guardian Angel to a special person(s) throughout the year! No gifts are expected to be given, please pray for your person, send cards, give calls, check-in with the person(s) selected at least each month with a way and means on how you feel comfortable.

The **Guardian Angel** program will start on the Church New Year September 13, 2020 and run until September 2021. The UOL hopes this will be a way to help us all stay in touch with those in need or who just need a little extra smile at times to say you are not alone!
